

REMARKS

Claims

The claims have been amended to substitute "tube" for "pipe" in the claims to more closely reflect the original Japanese of the International application. Claim 7 was amended to substitute "wherain" for "characterized in that" consistent with US custom with regard to claim format. Claim 14 was also amended to correct a typographical error in use of the word "claims" instead of "claim." No new matter has been introduced by this amendment.

The Applicant submits that the claims are in a condition to permit allowance and request early and favorable disposition of this application.

Respectfully submitted,

/John J. Cunniff/
